

Khin has passed her qualified examination in 2017 and is currently practicing as a physiotherapist in Ang Mo Kio Thye Hua Kwan Community Hospital. In her past 6 years of experience, she has worked in various rehabilitation settings such as community hospital, day rehab and day care center as well as home therapy. As a community-based therapist, Khin has come across different medical backgrounds such as geriatric, orthopedic, neurological and cardiovascular and pulmonary conditions. Her interest is strongly embedded in geriatrics and she loves working with senior citizens and believes in a person-centered care to achieve an individual's SMART goals.
